

**Exhibit B**

**AGENCY AUTHORIZATION**

DTE Gas Company (referred to individually and/or collectively as “Company”) and \_\_\_\_\_ (“Customer”) have entered into Gas Transportation Agreement(s) (“Transportation Agreement”) and/or Storage-Related Agreement(s) (“Storage Agreement”).

By executing the Agency Authorization (“Authorization”) effective \_\_\_\_\_ [insert date], Customer authorizes \_\_\_\_\_ (“Agent”) to act as its agent for:

- all Customer’s Transportation Agreements and/or Storage Agreements with Company
- the following Transportation and/or Storage Agreements: \_\_\_\_\_

subject to the terms and conditions of the Transportation and/or Storage Agreement(s) and Company’s applicable tariff rules, regulations and rate schedules. This authorization is effective \_\_\_\_\_, and shall remain in effect until terminated in writing by Customer.

Customer authorizes Company to terminate any and all pre-existing Agency Authorization Agreements currently on file with Company:

- Yes
- No

**Customer Activity Website Authorization**

Customer agrees that the Agent identified in this authorization is authorized to access Company’s Customer Activity Website (“CAW”) to perform those services indicated in the boxes below:

- Place nominations on CAW for the purpose of directing delivery of gas to Customer’s facilities pursuant to the Transportation and/or Storage Agreement(s). Only one entity per contract, either the Customer or the Customer’s Agent, may place nominations on CAW, except in the case of End User Transportation (EUT) accounts. EUT customers may designate multiple Agents for purposes of placing nominations on CAW.
- Access Customer’s account and meter information on CAW to obtain monthly meter information. (Note: This access, in and of itself, does not allow Agent to obtain Customer’s billing information. Such access is granted in the section “Customer Billing Information Authorization” below.

**Customer Billing Information Authorization**

Review and receive Customers' billing information from other Company information sources. Please provide Agent's mailing address and contact information for purposes of forwarding Customer's billing information.

**Note:** If Customer elects to have Agent receive billing information, Customer will not receive invoices from Company.

**Information Access Authorization**

Customer acknowledges that transportation and/or storage charges paid under the Transportation and/or Storage Agreement(s) are proprietary to Company and must be kept confidential by Customer and its Agent(s).

Customer agrees that Company may rely upon the agency authorization contained herein until the Transportation and/or Storage Agreement(s) is terminated or Customer notifies Company in writing that \_\_\_\_\_ is no longer authorized to act as its Agent as provided herein.

Customer acknowledges that Company reserves the right to deny access to CAW to any individuals who fail to follow CAW's procedures.

This Authorization has been duly executed as of the day, month and year first above written.
